The Board of Education

The Board of Education of the Coaldale School District, composed of outstanding citizens of our community, has made Coaldale High School a highly progressive institution of learning. Through their awareness of modern trends in educational facilities, they have done all within reasonable limits to provide an adequate system of education in Coaldale.

The Board lost two of its veteran members this year. Daniel Barron, who served for twelve years, and "Tommy John" Evans, who rendered service for twenty-four years, retired. Both men created enviable records through their untiring and unselfish efforts.

The Students' Cooperative Association

Organized in the fall of the 1934-35 school term, the Students' Cooperative Association did not begin to carry out its broad program of activity until the present school year. Led by officers who had been elected as follows: President, Theodore Berger; Vice-President, Adele Korsak; Secretary, Stella Smariga; Treasurer, Anna Evans, the association proved the real value of a student-governing body.

Its first step was to welcome the Freshmen at the start of the year, and conduct a "Get-Acquainted" party for them. Other accomplishments were the sponsoring of the football booster program, the conducting of sales at varsity athletic contests, the selecting of a list of assembly programs for the year, the settling of numerous problems brought to its meetings by various home rooms, and the completing of a merit and demerit system.

With a firmly established organization assured, as a result of the first year's splendid progress, the Students' Cooperative Association is expected to be the leading means of improving Coaldale High School through education of its student members in proper cooperation for school betterment. A gradual increase of responsibility is designed to fit each student for citizenship upon graduation.

Class Motto—"Let us Labor to Excel."

It was on September 3, 1932, that the Class of '36 entered Coaldale High School as Freshmen. It took us several weeks to become accustomed to the routine of the school.

Freshmen though we were, we early became active in the school's activities. This was indicated by the number of "Freshies" who participated in the two Minstrels, and in the Operetta, "Chonita."

The next year saw the return of a self-important group of students, called Sophomores. During this year a larger number of our classmates were interested in outside activities. Our class was well represented in the annual minstrel, the County Pageant, and athletics.

The third year at C. H. S. found the Class of '36 a more experienced and dignified group. We were now upper classmen. Our Junior Year was an excellent combination of pleasures and hardships. We cooperated in all our activities and were successful in everything we undertook.

The outstandng socal event of the term was our Junor Prom.

After two months of unrestrained enjoyment, the Class of '36 with one hundred twenty-four members remaining, returned to finish its high school career.

Our activities commenced soon after our leaders were elected. The musical comedy, "It's a Knockout," and the Senior Play, "The Whole Town's Laughing," afforded opportunities to every Senior who was dramatically inclined. Our Class successfully sponsored the Senior Autumn Dance, the Mardi Gras and the highlight of our social season, the Senior Ball.

As Graduation draws near, we hope that our future may be as full of fun and work as have been these four successful years at Coaldale High School.

THE SEASON

Football season rolled around again and with it came the call for candidates. Five lettermen, and thirty-five inexperienced but willing boys answered the call. After a week's hard practice our coach finally moulded a team together, and we were ready for action.

Our first game was with Coal Township, a night game, which was played away. Our athletes were surprisingly strong, defeating them 25-0. Our running and passing attack featured in the victory.

A strong and rugged team from Frackville High School was our next opponent. This was a game in which experience meant a great deal. Our boys were defeated to the tune of 13-0. Frackville used the aerial route, as they were stopped on the goal line consistently by our fighting forward wall.

Tamaqua was the next opponent for our fast improving team. Playing at home for the second time, we defeated them 19-0. A bit nervous in the first half after the defeat by Frackville, the squad played shoddy football, but a spirited second half rally netted 19 points.

Next, we played Freeland at home. At the conclusion of the game, we found ourselves on the long end of a 21-0 score.

We then traveled to McAdoo for a night game. A rough and tough battle it turned out to be. Coming back after a poor start, the team rolled up 19 points in the first half. The final score was 19-6.

A fighting team from Nesquehoning surprised us, and we were tied 13-13. Nesquehoning's aerial attack was a strong weapon for them. Our "Raymerites" had an "off" day in team work, which almost proved their undoing.

Again hitting our stride, we defeated Summit Hill High School's huskies. They presented a fighting group, but our running attack proved too strong. The final score was 12-2.

The following Saturday, Kulpmont High School visited us and we defeated them to the tune of 32-0. Our substitutes played a major part in this victory.

Our next game was an intersectional tilt with Lewistown High School, a game in which all the bad breaks of the season seemed to come at once. We were defeated 27-0. Three costly fumbles on our fifteen yard line paved the way for three touchdowns by Lewistown. The other one was gained by a long pass. We outclassed them in first downs, 13-12.

Our last and final game of a successful year was the glorious victory over our arch rival, Lansford High School. Our boys outplayed and outfought the strong Lansford team. We threatened several times, and at last, after several opportunities, we blocked one of Lansford's punts. A Lansford man recovered the ball, but he was tackled behind his own goal line and we were credited with a safety. This victory gave us the Carbon-Schuylkill Championship. The final score was 2-0, a well merited Thanksgiving Day victory.

Next year's team will miss the stellar performances of such stars as: D. Griffith, Russell Griffith, Robert Griffith, R. Weaver, T. Gaydos, M. Skeerca, J. Pisanic, S. Hlavka, G. Maury, G. Lithgow, A. Harbolovic, J. Paslowsky and F. Burns.

Although these stars will be missed, we are sure the 1936 team will uphold the tradition of good, clean, hard football in Coaldale High School.

THE SEASON

Coaldale High School's 1935-36 basketball team with a schedule of twenty-one games played against many veteran quintets, opened the season on December 10 and finished it on February 28, with eleven wins and ten defeats. Sixth place in the Carbon-Schuylkill League was our final rating, the lowest in C. H. S. history.

Starting the season with a fresh group of candidates, Coach Raymer moulded a fairly successful team which improved as the season progressed. A fitting climax to the season came in the final week of competition, when the Orange and Black pushers beat White Haven, knocked Lansford High out of the race for league honors and then closed with a victory over Shenandoah High. These three victories in five nights, by a greatly improved team, provided a successful finish.

The graduating members of the Varsity Team were Paslawsky, Harbolovic, Dalto and Petruny. William Novitsky was the student manager.

THE SEASON

The Coaldale High School Gym Team presented its annual gym exhibition May 14, 1936 at 7.45 P. M.

This proved to be one of the most spectacular events of the school year. The members accomplished more difficult feats this year than ever before.

The featured exercises were on the flying rings, parallel bars, springboard and horse, high bar, and mats, all of which were exceptionally interesting.

By the generous applause of the audience, it was indicated that marching by the Girl's Gym Team was an acceptable phase of the exhibition.

This year the Gym Team added to its program, two exhibitions away from home. One was given at Weatherly; the other at McAdoo. They were held the same day, April 3, 1936. That at McAdoo High School was presented in the afternoon and, the one at Weatherly in the evening.

Although the dual work was very trying, it was successful and the splendid receptions in both towns amply compensated for the hard work. In fact, the excellent exhibitions at these two towns brought requests from several other towns, anxious to see the accomplishments of the Coaldale High School Gym Team.

The sport carries the possibility of injury at any time, so that the members of the gym team are to be congratulated on their courage. Despite the danger of mishaps, the students demonstrated adeptness in performing difficult feats on the apparatus far above that of the average high school gymnast.

Plans are being made to insure the entrance of the gym team, next year, in the P. I. A. A. and the Stroudsburg gym meets. Needless to say, entrance in these meets and the increasing activity of the sport are evidences of the improvement of gymnastic facilities in Coaldale High School.

THE SEASON

Since the intra-murals have been organized, each year has seen the increased growth of these interesting games. The purpose of these games is to strive to create a better feeling toward competitive sport in the high school. The participants are those who do not take part in any varsity sport.

The boys' division of the intra-murals consists of two classes, A and B. The girls' division constitutes one class. Any home room section may enter any class. Each class constitutes a league.

Basketball tournaments were conducted early in the term. These games, played after school hours, proved very interesting to the on-lookers. All games were well contested and hard fought. After a few weeks of competition, the 12-B boys emerged victorious in both divisions of the Boys' League, while the Senior Commercial girls were the victors in the Girls' League.

Tournaments in volley ball, playground ball, and tennis were conducted in the early part of the second semester.

To further stimulate interest in these games, merits were awarded to those who played in the tournaments. One merit was awarded to each player, and five merits to each member of the championship teams.

The games were well handled by Mr. Randolph Harvey and Mr. Andrew C. Kalen.

The Senior manager of intra-murals was Ted Berger, with Franklin Durilla assisting.

The function of the extensive intra-mural program is primarily that of directing and stimulating those students who possess athletic ability as well as creating more interest in the intra-mural sports.

The success of the 1935-36 program and the interest manifested by the participants is indicative of increasing progress in this branch of sports.

THE SEASON

In the spring of 1935 the first baseball team in eight years was organized at Coaldale High School. The team was coached by Messrs. A. C. Kalen, and W. E. Berger. The managers were Jack Hoffman, and Robert Jones.

The team met with excellent success through the entire season, winning five of the six games played.

The resumption of baseball as a major sport in Coaldale High School is a progressive step indicative of the broadening program of athletics started several years ago. The successful results of the first year of baseball in competition with veteran teams insures permanent establishment of the sport as a leading spring activity of the school.

Activities

To the student, the extra-curricular activities are a welcome relief from the daily routine of class work. These diversified activities serve as a stimulant to each student's own particular interest and as an outlet for self-expression.

THE NATIONAL HONOR SOCIETY

Coaldale High School received its charter from the National Honor Society for Secondary Schools at the close of the 1934-35 school term. A permanent organization was effected during the second semester of the following year

Membership in the organization is a distinct honor. The requisites for election to the society are based upon achievement in scholarship, leadership, character, and service. Only those students who rank in the upper third of their classes are eligible for election. These are elected by a committee of faculty advisors.

THE ATHLETIC ASSOCIATION BOARD

The Coaldale High School athletic board this year achieved improved administration of matters wthin its scope by much needed reorganization of the constitution, and a thorough rewriting of it. New methods of awarding honors in athletic activities, and of selection of cheerleaders resulted.

Made up of representatives of the student body, the board of education and the faculty of the high school, this year's athletic board proved one of the most cohesive and competent bodies of the school.

THE JOURNALISM CLUB

Since the beginning of the Annual, each year has seen the acquirng of higher awards by the successful staffs of these books.

In the first publication the book received honorable mention in the second class. The last edition of our fast improving book, under the supervision of Mr. Keebler, received special award in the first division. The next highest award is the highest that can be bestowed on any year book, that is, All-American.

It is our earnest hope that the 1936 "Stentor" be crowned "All-American."

THE PRINT CLUB

The Print Club consists of a group of students who render valuable service to the high school. Tickets, posters, decorations and the like for the various school activities are artistically designed and made by the members. This work provides a worthwhile training in neatness and originality. Each member is encouraged to offer suggestions and thus develop his individual abilities.

THE BAND

At its annual concert, our band had the honor of playing under the direction of Mr. H. Benne Henton, world famous saxophone soloist and former assistant conductor of Patrick Conway's famous band.

The other guest of honor and guest conductor was the well known Lieutenant Ferd R. Lhotak, bandmaster of the Valley Forge Military Academy and former United States Army bandmaster.

The present members wish to thank the parents who have contributed a goodly share in promoting the band and sincerely hope that their interest in this splendid organization will continue.

The band is indebted to Mr. Horn, who has been its faithful conductor and instructor through all these years.

THE ORCHESTRA

The Coaldale High School Orchestra, a musical organization of thirty-two pieces, is completing its sixth year under the direction of Professor J. J. Horn.

The Orchestra is a very active organization in the school's activities. It has filled the air with music during plays, minstrels and other stage activities.

The Orchestra should be thanked especially for the way it has helped to make our dismissals orderly and pleasant.

THE "ORANGE AND BLACK" DANCE BAND

This year marks the fifth anniversary of the "Orange and Black" Dance Band, under the present direction of Karl Koch.

Alex Fekula was the originator of dance bands in the High School. We now have a band of twelve members, which is progressing very rapidly.

This organization plays for assemblies and for dances after the basketball games. This year it played for the senior class Mardi Gras.

The A. A. and S. C. A. supply donations that keep the band in music.

THE A'CAPPELLA CHOIR

One of the largest and most promising of our clubs is the A'Cappella Choir. Organized and directed by Mr. Horn, it has proved a great success in that it has greatly increased the quality of Assembly singing.

The Choir's participation in the Musical Comedy, "It's a Knockout," held December 15, 1935, contrbuted greatly to the success of that revue.

THE CURRENT EVENTS CLUB

The Current Events Club, composed of fifteen boys, was organized to enlighten students concerning the affairs of the Modern world.

The subjects considered in the club deal with War, International Law, the League of Nations, the World Court, Politics of the World and the United States, and Economics. One of the most discussed topics is the war-like situation in Europe and Asia. The members of the club are taught how to choose a topic, and how to prepare a paper for the discussion of it.

The club is under the supervision of Mr. W. E. Berger.

THE GENERAL PROBLEMS CLUB

This club attempts a solution of various phases of problems not directly touched upon in the classroom. The problems have been selected from a wide variety of subjects, as: Superstitions and Cults; the Stock and Bond Market; Etiquette for Table, Street and Home; Special Problems in Science; Appreciation of the World's Greatest Music; Identification of Musical Instruments in the Orchestra; Words Most Frequently Mispronounced In and Out of School, etc.

The club sponsor is Mr. L. J. Melley.

THE GYM CLUB

The Gym Club, made up of students keenly interested in the use of apparatus of the gymnasium for the development of the human physique, has forty members.

From this group of outstanding gymnasts, Coach Andrew C. Kalen, director of physical education, selects the leading boys and girls for the varsity gym team.

Members of the club are instructed in the use of such apparatus as parallel bars, springboard and horse, rings, wands, dumbells and mats.

THE NEEDLECRAFT CLUB

The main object of the Needlecraft Club is to train girls to be skillful with their hands, to decorate, to ornament and to economize by learning the meaning of "A Stitch in Time Saves Nine."

THE ART CLUB

Pennsylvania's classrooms are perhaps the most influential of all factors in determining the character of the more than two million boys and girls who are attending Pennsylvania's schools. Some of these boys and girls will become creators of art—in fact, many have already achieved national acclaim. All will be appreciators.

THE FRENCH CLUB

Le Cercle Francais, or the French Circle, aims to further the interest of alert students in this romantic language by the use of pleasant exercises such as the singing of simple French musical scores, the solving of cross-word puzzles dealing with French words, the practice of every-day French conversation, the reading of short-stories, riddles, and typical examples of French humor.

Miss Beatrice Evans, instructor in French, is the club sponsor.

THE MATHEMATICS CLUB

The purpose of the Mathematics Club is to motivate and stimulate pupils in the study of Mathematics.

The Mathematics Club is open not only to those pupils who plan to enter higher institutions of learning, but also to pupls who plan to go into their life's work directly after high school graduation.

THE CAMERA CLUB

The Camera Club was organized for the benefit of pupils interested in photography. There are six members in the club. The Club teaches the correct use of various kinds of cameras.

The Club is under the supervision of Mr. R. B. Harvey, who is well versed in this line of work.

THE GIRL RESERVES

The purpose of the Girl Reserves is "To Find and Give the Best." Their slogan is "To Face Life Squarely." To be a Girl Reserve means to "grow to be" the finest person one can become, in body, mind and spirit.

Every girl is blessed with possibilities for growth. In her home, in her school, in her club activities, and in her church, there are opportunities to take the next step in "becoming."

THE ETIQUETTE CLUB

The Etiquette Club is an organized group of students who are desirous of receiving training on current trends of good manners. In addition to their keeping in touch with new phases of etiquette, the club stresses the fundamental principles of kindness, courtesy, and thoughtfulness of others in every-day life.

The members of the club display keen interest in the present day requirements of etiquette. They are sponsored by Miss Pearl Filer.

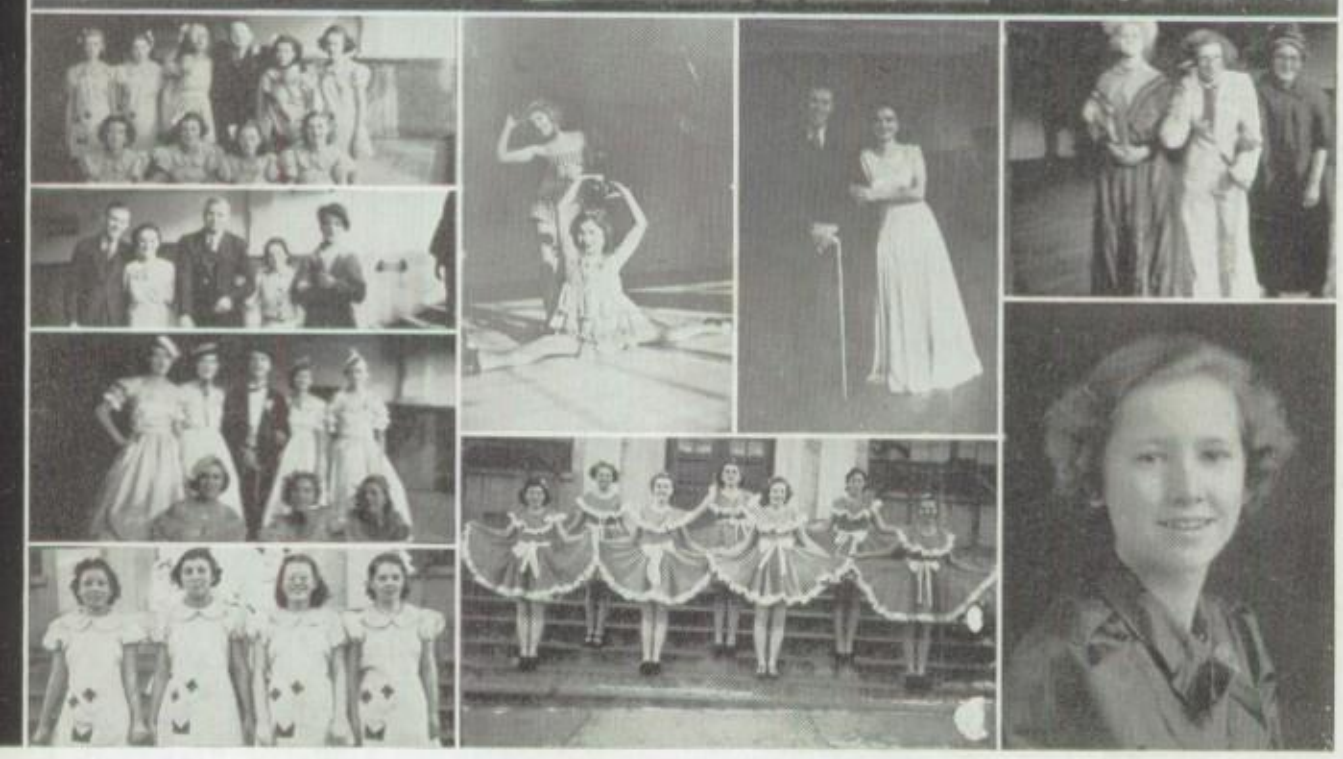
"THE WHOLE TOWN'S LAUGHING"

"IT'S A KNOCKOUT"



ORATORY

THE WHOLE TOWN'S LAUGHING

The annual Senior Class Play was successfully presented in the auditorium in afternoon and evening performances on Monday, January 27. It proved the most outstanding production in recent years, with two capacity audiences fully appreciative of the excellent dramatic performance.

Written by Robert St. Clair, one of America's leading playwrights, the play contained a cleverly woven plot and character parts very capably acted by the twelve members of the cast.

The play was under the capable direction of Mr. Keebler.

"IT'S A KNOCKOUT," A MUSICAL COMEDY

Our annual musical comedy this year was under the able management of The John B. Rodgers Producing Co. The show was well chosen, well presented, and well received.

Marie Mitchell, as "Pattie," played the lead. She was well supported by John Pisanik, the leading man as Bob Randall, Josephine Krajcovich as "Josie" Randall, and Michael Skeerca as "Spike" Maloney, the trainer.

The show was easily one of the high lights of our school year. We hope our next musical comedy will be as well directed, enjoyed and handled as this year's production.

ORATORY

Margaret Phillips represented our high school very capably in oratorical competition this year.

In the Schuylkill County Forensic League Contests, Margaret placed second with her splendidly delivered oration, "Freedom of the Press."

In the Panther Valley Oratorical Contest, she received a high degree of praise in the final adjudication. Both contests were held in Coaldale.

ALMA MATER

Music by John J. Horn — Words by O. S. Keebler

"Oh the wind thru the trees blows cheerful,
It sways them in their glory;
It whispers a little ear full,
It tells a wondrous story
Of spirit true and athletes too,
And deeds both brave and gory;
Of courage that has been true blue
Our Alma Mater's glory."

SPIRIT OF COALDALE HIGH

Music by: John J. Horn — Words by: O. S. Keebler

Give a cheer for dear old Orange and the
Black we love so well;
Never fear her colors clear,
We'll give a cheer for and a yell;
Coaldale High, she always wins
her battles from her old time foes;
So Hip Hurray! Our team is always
on its toes, always on its toes;
So let us fight for dear old High School,
Then all our pep we'll give the right school,
Fight for dear old Coaldale High School,
Fight, Fight, Fight, Fight, Fight,
Cheer up.

Chorus:

"Coaldale, Coaldale High School dear,
For you we'll fight till life forsakes us,
For you we'll fight till death o'ertakes us,
Then fight for Coaldale, Coaldale give a cheer
She's bound to win from her opponents,
Dear old High School that we love."

THE TEAM FOREVER

To the tune of "On the Mall" by Frank Goldman
Words by O. S. Keebler

So, we'll sing a song for Coaldale High,
We'll sing it loud;
For the team that fights hard all the game;
Not a thing is wrong for which to sigh,
Just hear the crowd,
Cheer our boys on to victory and fame,
Oh the Orange and the Black,
We'll cheer for day and night,
'Round our colors, we'll all rally now,
Let us give a cheer for Coaldale High
With all our might,
Let us show our opponents how.

Advertising

The Class of 1936, the student-body and faculty of Coaldale High School take this opportunity to thank the advertisers without whose generous support the publishing of the "Stentor" would not be possible. Let us patronize our advertisers. They deserve it.

A Test

Make a list of the gifts which, in your opinion, have brought the greatest joy and most lasting satisfaction to both giver and recipient. You will very likely discover that good jewelry and its accessories occupy the place of honor.

The passing years leave little trace of gifts that quickly wear out, but jewels, diamonds, personal adornments, watches, precious metalwares, etc., are often passed on into the second or third generation.
